

South Nottinghamshire Integrated Care Partnership

Synergy Health Primary Care Network

The Jubilee Practice | Park House Medical Centre | Trentside Medical Group | West Oak Surgery

“Developing collaborative working across member practices and stakeholders”

Our priorities

GP resilience

We will develop GP resilience across the PCN. This will include ensuring the additional roles are embedded within the PCN, and looking at how new ideas can facilitate this.

Integration with broader services

Planning is under way to improve integration with broader ‘out of hospital’ services.

▼ Unless otherwise stated, comparisons are to England averages. Source: Notts CC 2019

High prevalence of severe back pain

Higher reporting of limiting long-term illness

Higher proportion of older people living alone

Lower child development at age 5

Clinical Director (PCN): Dr Ian Campbell
PCN Lead Administrator: Rachel White
PCN Development Manager: Jayne Bouch
